

Large Format Event Card Printer Special for

- Sport Events & V.I.P. Badges
- Concerts & Festivals
- Conventions & Security Badges
- Tournaments & Clubs

The ECP X-Large accreditation printer processes pre-printed offset cards in size of 124 x 85,60 mm and also the ISO Standard format of 85,60 x 54 mm. It is the world's only card printer that can print both, over-sized and ISO cards. Both card sizes can be personalized within a maximum area of 50 x 80 mm individually.

X-Large cards simplify the visual inspections for the security staff and thus contribute to increased safety of events. In addition, the card offers more space for additional information such as for directions or the placement of sponsors.

Its high printing speed allows rapid personalization of up to 180 full-color and 720 monochrome cards per hour.

The ECP X-Large - the perfect combination of reliability, performance and an attractive price for the production of high secure and durable badges.
